# CERTIFICATE IV IN AGEING SUPPORT

## COURSE OUTLINE

Take the next step in your career in the aged care sector with this mid level qualification. CHC43015 Certificate IV in Ageing will give you the practical skills and knowledge you need to lead the provision of individualised support and care to people in home, aged care, or community care settings.

With strong growth within the aged care sector, this qualification will give you the skills you need to coordinate person-centred services for older people, provide support for people living with dementia and assist people with medication in your workplace. Successful completion of this course will qualify you to work in aged care and/or home and community care. It will also give you the foundation to undertake further studies in the community services and health sector.
