# CERTIFICATE IV IN DISABILITY

## COURSE OUTLINE

Take the next step in your career in disability with this mid-level qualification. CHC43115 Certificate IV in Disability will give you the skills you need to play a lead role in the provision of individualised support and care to people in home, community, or health care settings.

This qualification reflects the role of workers in a range of community settings and clients' homes, who provide training and support in a manner that empowers people with disabilities to achieve greater levels of independence, self-reliance, community participation and wellbeing. Workers promote a person-centred approach, work without direct supervision and may be required to supervise and/or coordinate a small team.
