

CHC33021

CERTIFICATE III IN INDIVIDUAL SUPPORT (AGEING)

COURSE OUTLINE

Kick start your career in the aged care sector with this entry level qualification. CHC33021 Certificate III in Individual Support (Ageing) will give you the skills you need to provide individualised support and care to people in home, aged care, or community care settings.

This qualification will give you the skills you need to facilitate the empowerment of older people and provide support to those living with dementia. Successful completion of this course will qualify you to work in aged care and/or home and community care. It will also give you the foundation to undertake further studies in the community services and health sector.

COST

Subsidised \$150*

Concession \$127.50*
